Dear Mr. Kolb:

RE: Long-Term Care Renewal

Thank you for your letter to the Honourable David Caplan, Minister concerning your request that Sheridan Villa be considered for funding under the Long-Term Care Home Renewal Strategy.

On April 2, 2009, the Ministry of Health and Long-Term Care issued a call for applications for the first phase of the Renewal Strategy. Homes that have already been redeveloped to current standards are not eligible for the renewal strategy but the ministry plans to issue an additional policy to address this circumstance. Under this policy, subject to certain conditions, homes classified as either B or C may be eligible for a structural compliance premium of $5.00 per day per bed, if they have met the design standards set out in the *Long-Term Care Facilities Design Manual, May 1999.*

Details of the funding policy will be released in the coming weeks, and operators who believe they are eligible for the structural compliance premium will be asked to submit a request for consideration. Once the policy has been released I will treat your letter as such a request and initiate the review of your project for eligibility.

Dear Minister Caplan:

Subject: Sheridan Villa Redevelopment

I am writing to advise that Regional Council approved the following resolution at its meeting held on November 20, 2008:

> That the Regional Chair write to the Minister of Health and Long-Term Care (MOHLTC) to request funding from the "B and C" redevelopment fund designated for long-term care homes, to offset the cost of Sheridan Villa's capital project to achieve an "A" classification.

On behalf of Regional Council, I request that you give consideration to the above resolution. I look forward to your reply. Please quote the Region of Peel's reference number in your reply.

Sincerely,

Emil Kolb
