BASE FEES ATTESTATION

I/we understand that the base fees as provided above are fees or part of a fee that is charged in respect of a child for child care, including anything a licensee is required to provide under the *Child Care and Early Years Act, 2014 (CCEYA)*, or anything a licensee requires the parent to purchase from the licensee, but does not include a non-base fee

I/we understand that the non-base fees as provided fees are charged for optional items or optional services such as transportation or field trips, or any fees charged pursuant to an agreement between the parent and the licensee in respect of circumstances where the parent fails to meet the terms of the agreement (eg., fees for picking up a child late, fees to obtain items that the parent agreed to provide for their child but failed to provide), as defined in the CCEYA.

I/we understand that increasing base fees after March 27, 2022 was NOT permitted, unless we communicated to parents prior to March 27, 2022. The base fees as provided above are the most up-to-date fees charged to families who are paying market fees.
