Dear Ms. Inga Mazuryk;

NOTICE

The purpose of this letter is to provide notice, pursuant to the requirements of the *Commitment to the Future of Medicare Act, 2004*, that the Mississauga Local Health Integration Network (the "LHIN") proposes to enter into a service accountability agreement with The Regional municpality of Peel in respect of Sheridan Villa (Regional Municipality of Peel) (the "Home").

A common template of a service accountability agreement for use with the long-term care sector, referred to as the "L-SAA", is under development. When the template is finalized a copy will be shared with you. The LHIN will then work with you to complete an L-SAA for the Home that will take effect on the date that the *Long-Term Care Homes Act, 2007* comes into force.

Should you have any questions, please contact Rob Low at 905-337-7131 ext. 239 or any of the long-term care sector associations of which you may be a member. Each of AMO, OLTCA, OANHSS, OHA and the City of Toronto has been consulted during the development of the L-SAA and is aware of the process that needs to be followed to put an L-SAA in place.

Sincerely yours,

Bill MacLeod, CEO
