- The Chief Administrative Officer will also explore opportunities to share existing integrity commissioner resources with the area municipalities for the purposes of implementing the Peel Regional Council Code of Conduct and report back to Regional Council in January, 2015.

### **DISCUSSION**

#### **1. Background**

On December 16, 2010, Regional Council, through Resolution 2010-1052, requested that staff report to a future meeting of Regional Council with recommendations related to the appointment of an Integrity Commissioner and Closed Meeting Investigator and to include previous reports to Regional Council on the matter.

April 30, 2014

## PEEL REGIONAL COUNCIL CODE OF CONDUCT

Since this time, Executive Office staff, in collaboration with Legal Services has worked to gather information related to the provincial legislative background, municipal codes of conduct and Integrity Commissioner implementation in Ontario.

On September 26, 2013, Regional Council passed Resolution 2013-759 directing that the report of the Chief Administrative Officer, dated September 5, 2013, titled "Peel Regional Council Code of Conduct", be received. Direction was also given that a Committee of Council be formed comprising of at least one Councillor from each area municipality, to look at a potential code of conduct for Members of Regional Council.

Subsequently, at the November 28, 2013 meeting of Regional Council, Terms of Reference for the Peel Regional Council Code of Conduct Committee (PRCCCC), as outlined in Appendix I to the report of the Chief Administrative Officer, dated October 22, 2013, titled "The Peel Regional Council Code of Conduct Committee", be approved.

To date, one formal meeting of the PRCCCC has occurred (February 6, 2014). At this meeting, staff presented rationale and necessity for a Regional Council Code of Conduct. The PRCCCC also expressed an interest in dedicating a future meeting to a clause-by-clause review of the draft Code.

On April 3, 2014, the PRCCCC was unable to hold a formal meeting due to lack of quorum however staff facilitated a section-by-section discussion on the draft Code for information purposes.

## 2. Peel Regional Council Code of Conduct

Staff is recommending that the Peel Regional Council Code of Conduct, outlined in Appendix I of this report, be adopted. Reasons supporting this recommendation are as follows:

All area municipalities in Peel, Brampton, Caledon and Mississauga, currently have adopted Codes of Conduct for their City/Town Councils. A Regional Council Code of Conduct can bring clarity to both Councillors and the public in regard to Councillor's responsibilities as a Peel Regional Councillor.

The adoption of a Code of Conduct is becoming a best practice, amongst comparable municipal councils, in their efforts to promote accountability and transparency to their residents.

Peel Region has a strong history in the demonstrating and promoting trust and confidence with our citizens. The adoption of the Peel Regional Council Code of Conduct can assist our efforts in this regard.

In addition, the potential exists for increased accountability and transparency requirements, like a Code of Conduct, to be placed on the Region of Peel by its funding partners. Municipal codes of conduct have become a mandatory requirement in some partnership agreements with senior orders of government including:

- Land Ambulance Service Grant
- Court Security
- Nursing Offload Funding

**PEEL REGIONAL COUNCIL CODE OF CONDUCT**

On a related note, the current minority provincial government has demonstrated a desire to increase accountability and transparency within the municipal sector. This is illustrated by the introduction of Bill 179, Public Sector and MPP Accountability and Transparency Act, 2014, which would require oversight of municipalities by the Ontario Ombudsman or an ombudsman appointed by the municipality. While not specifically related to adoption of municipal codes of conduct, there does appear to be increase momentum to address accountability measures within the broader public sector, including municipalities.

It is recommended that if adopted, the Peel Regional Council Code of Conduct be appended to the Region of Peel Procedure By-Law. This approach is consistent with codes of conduct adopted by other regional municipalities.

**Peel Regional Council Code of Conduct**

Attached as Appendix I of the subject report is the proposed Peel Regional Council Code of Conduct, hereinafter referred to as the Code. The draft Code is divided into 12 sections:

- Application and Purpose
- Definitions
- Guiding Principles
- Legislative Environment
- Conduct at Regional Council
- Conduct in Relation to Regional Business
- Decision-Making
- Regional Chair
- Relations with the Corporation, Council and Staff
- Expenditures, Hospitality and Gifts
- Compliance
- Review Process

The Code is focused on the creation of a principle/values-based document that: 1) is easily understandable by both Regional Council and the public; and 2) can be clearly interpreted by an individual(s) empowered to interpret and/or investigate possible contraventions of the Code.

In the creation of the Code, staff reviewed the Codes of Conduct of Brampton, Caledon and Mississauga in an effort to avoid duplication and to remain consistent, where possible. Staff also reviewed existing Codes of Conduct currently adopted in various Ontario municipalities. Many of the components of the Code are common in other municipal jurisdictions.

Staff will review any significant legislative or internal policy changes for possible impact to the Code and report to Regional Council where necessary. A mandatory Council review and endorsement of the Code will occur at the beginning of each new term of Council.

**3. Proposed Direction**

The Region of Peel has demonstrated its desire to ensure that it is accountable to the public for its actions, as well as trying to ensure that its actions are also transparent to the public. While the Region has in place a number of internal policies that serve to enhance the

**PEEL REGIONAL COUNCIL CODE OF CONDUCT**

Region's overall accountability and transparency framework, the Region can take steps to further strengthen and enhance this framework.

It is therefore recommended that the Code (Appendix I) be adopted by Regional Council and take effect December 4, 2014 and that the Procedure By-law 100-2012 be amended to append the Code.

Taking these steps will not only strengthen its accountability and transparency framework but will also align the Region of Peel with its area municipalities, comparable regional municipalities and address the changing environment at the provincial level. Deferred adoption of the Code also allows for greater clarity for incoming councillors, the public and provides staff the opportunity to develop policies and procedures for implementation.

As discussed on April 3, 2013 with PRCCC members and Regional staff, there is a desire to investigate an integrity commissioner model that seeks to use existing resources currently in existence at the area municipal level. This approach will seek to avoid duplication of services and take advantage of existing relationships at the area municipal level.

To this end, it is recommended that the Chief Administrative Officer explore opportunities to share existing integrity commissioner resources with the area municipalities for the purposes of implementing the Code and report back to Council in January, 2015.

There is a recognized time gap between Code effective date and the endorsement of an implementation plan. During this timeframe, the Office of the Regional Clerk will field general Code related inquiries as it relates to the Procedure By-Law. A report will be brought to Regional Council should additional direction be required.

Education on the new Code will be an important component to achieve moving towards the 2014 Municipal Election and the formation of the 2014-2018 Regional Council. As such, staff will ensure that the adopted Code will be sent to all incoming Region of Peel Councillors following the confirmation of the municipal election results and in advance of the Inaugural Meeting of the 2014-2018 Regional Council. In addition, the Regional Chair and Members of Regional Council will need to formally confirm that they have reviewed the Code and understand their responsibility to adhere to its contents in advance of the Inaugural meeting.
