Re: File Number 20091CE09182  
OntarioImmigration.ca – Municipal Immigration Information Online Program 2009-2010

I am delighted to confirm the award of a grant, in the total amount of \$105,652, to the Regional Municipality of Peel as part of the Municipal Immigration Information Online (MIIO) program. The Regional Municipality of Peel will be a pioneer in building online municipal content for immigrants, as part of our website, OntarioImmigration.ca.

Providing good information to prospective immigrants and newcomers is a key part of Ontario's initiative to welcome newcomers and help them succeed in their new home. Through the OntarioImmigration.ca site, you have the opportunity to promote the Regional Municipality of Peel to prospective immigrants and/or direct landed immigrants to the services and features in your communities.

Ministry staff will be sending out a signed copy of the contract for your records. Your first payment of this grant will be \$84,522. The interim and final payments will be released after the interim and final reports are submitted and approved, respectively, provided you are meeting the terms and conditions of the program. This funding does not constitute a commitment of future funding.

I am pleased to have the continued participation of the Regional Municipality of Peel in the OntarioImmigration.ca project. The Ontario government is committed to attracting the best and the brightest from around the world and helping to integrate them both economically and socially.
