Subject: Family Day mall opening, Bramalea City Centre

Dear Sirs,

I am opposed to allowing Bramalea City Centre mall to open on Family Day. The day is designated for families, so what about all the poor store assistants, the cleaners, security guards, those who keep the mall running? Surely they deserve time with their families too. It's all about money to those who own the mall.

It isn't as though the City Centre is a "destination mall" in any sense of the words. Mostly it is a hang-out for teenagers and gangs of youths, and most of the people I know do not shop there when they want anything special. They go to Yorkdale, Sherway Gardens or Square One. I do not think the mall should be open on the other holidays either. I talk to many people who work there, and not one likes the holiday openings.

Thanking you for your consideration,

Yours truly, Rosemary Pauer
