Brampton resident of 30+ years and have watched the City and the mall grow. Throughout the debates of Sunday / Holiday shopping I never thought well of any You can / but you cant, type of legislation. Square One and Eatons may for some reason be designated tourist areas but when the "tourists" go there its to do the same thing, shop and spend money , thats it, giving them almost a form of monopoly on holiday shopping. I dont want to, as I have in the past, go down to Mississauga to pass some time shopping when there is a local mall down the street to be supported.

Thank You
