Dear Mr. Payne:

RE: Coleraine Drive, Bolton

At the regular meeting of Council held on November 10, 2009, Council received a presentation made by Fuwing Wong, Treasurer with regard to the Town's Capital Budget. The following was adopted:

That Council supports the completion of Coleraine Drive as a joint project with the Region of Peel; and

That Council for the Region of Peel is hereby requested to support this project in 2010.

Please note that the scope of the Coleraine project is from Holland Drive up to Duffy's Lane as this will complete the south-west quadrant of the BAR and all of the King Street reorganization.
