Dear Ms. Reid,

I would like to request to present to the Regional Municipality of Peel's Council to inform members about an upcoming event that is taking place in Mississauga.

*Discover Agriculture in the City* is a government and stakeholder-led exhibition designed to showcase and promote agriculture to an urban audience. This year the event will be held October 1 through 3 at the Erin Mills Town Centre. The event offers a chance to explore and discover the vibrant and innovative world of agriculture – and it's a world that involves much more than food.

The event is being led by a steering committee comprised of representatives from Agriculture and Agri Food Canada, Foodland Ontario, Ontario Agri Food Education, the Ontario Farm Animal Council, AGCare, the University of Guelph and the Vineland Research and Innovation Centre.

We would request that a presentation be made to the City of Mississauga Councillors to provide an overview of the event. Making the presentation on behalf of the steering committee would be Margaret Boyd (Agriculture and Agri Food Canada) and Heather Hargrave (Ontario Farm Animal Council).

We hope that this request can be accommodated and await notification of your decision.

Respectfully submitted,

Heather Hargrave  
Communications Coordinator, Ontario Farm Animal Council  
Steering Committee Member – Discover Agriculture in the City
