Dear Chair Kolb:

Re: Notional Funding Allocation for the Short-Term Rent Support Program

I am pleased to advise that the Ministry of Municipal Affairs and Housing is making available approximately \$50 million in total funding to deliver additional rent supports for Ontario renters in need.

The new Short-Term Rent Support Program will leverage Service Managers' success in delivering previous programs for rent support and other affordable housing.

The program is designed to help low-income families across the province pay their rent during the current economic downturn. Service Managers have the flexibility to fund target client groups most in need – for example, victims of domestic violence.

The Short-Term Rent Support Program is time-limited, beginning in fiscal year 2010–11 and ending in fiscal year 2012–13.

The total notional-funding allocation for Regional Municipality of Peel is \$2,867,540.00 to be divided for the duration of the program as follows:

- Year 1 : \$974,420.00
- Year 2 : \$1,045,900.00
- Year 3 : \$847,220.00

This notional-funding allocation represents the total for the two delivery options – Shared (provincial) Delivery and Direct (Service Manager) Delivery – including administration fees.
