Dear Ms. Reid:

RE: Terra Cotta Community Centre

At the regular meeting of Council held on November 2, 2010, Council passed a Resolution regarding the Terra Cotta Community Centre. The following was adopted:

Whereas the Terra Cotta Community Centre provides a community service to the residents of the Town of Caledon that the Town would otherwise provide; and

Whereas the Terra Cotta Community Centre does not recover the cost of these services from the Town of Caledon; and

Whereas the Terra Cotta Community Centre has received approval for Trillium grant funding to repair and renovate the community centre and has applied for a building permit;

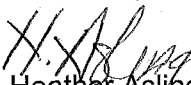

Therefore be it resolved that, without precedent, Council direct staff to provide a grant to the Terra Cotta Community Centre, in the total amount of \$13,674.97 funded from the 2010 Operating Budget account 115.56.535.001.2319, for the following:

- \$998.28 Building permit fee
- \$11,711.70 Region of Peel Development Charges
- \$964.99 Education Development Charges

Further be it resolved that Council request the Region of Peel for a grant equivalent to the Regions development charges, in the amount of \$11,711.70, to reimburse the Town.

If you have any questions regarding this Resolution, please contact me.

Yours truly,

Heather Asling
Legislative Administrator
