Dear Ms. Reid:

Re: Appointment to Credit Valley Conservation

In accordance with Section 14 of the Conservation Authorities Act, your municipality is entitled to appoint members to Credit Valley Conservation. These appointments will commence January 1, 2011 and continue for a maximum 3-year term (until December 31, 2013) or until a successor is appointed.

Your municipality is entitled to seven (7) appointments - four (4) representing the City of Mississauga, two (2) representing the City of Brampton and one (1) representing the Town of Caledon.

At this time, the *Conservation Authorities Act* does not allow for more than a 3-year term of appointment. Conservation Ontario, on behalf of 36 Conservation Authorities in the province, is in support of an amendment to the legislation to bring it in line with 4-year municipal terms of office and is currently in discussion with the Ministry of Natural Resources to move an amendment forward. If you wish to appoint your member(s) for more than 3 years, please make an additional appointment from January 1, 2014 to December 31, 2014 or until a successor is appointed. Alternately, if you choose to appoint your member(s) for less than 3 years, please specify the term of each appointment and include the statement, "until a successor is appointed".

I would appreciate receiving the names, addresses, email addresses, telephone and fax numbers of your appointments at your earliest convenience.

Thank you in advance for your cooperation.

Yours truly,

Rae Horst
Chief Administrative Officer
c: Crystal Greer, City of Mississauga
Peter Fay, City of Brampton
Karen Landry, Town of Caledon
