Subject: Support The Weather Network -Keep on Basic TV Service
Importance: High

Support The Weather Network as a basic cable service.

Pelmorex the parent company of The Weather Network once again is making application to the CRTC to keep The Weather Network on basic cable. Pelmorex is asking for your support in this matter.

OGRA has provided a letter of support on behalf of it membership and suggests that your municipality should suggest the application as the weather and highway information provide by The Weather Network is a service to your residents.

Please find a template for a letter for your use as well as information sheets from The Weather Network to assist you in support of their application.
