## RECOMMENDATION

**That, subject to the required 2011 Capital Budget Pre-Approval, the contract (Document 2010-246P) for the detailed design, contract administration and construction supervision services for the intersection improvements at Regional Road 5 (Derry Road) and McLaughlin Road be awarded to R.V. Anderson Associates Limited, in the estimated amount of \$471,783.75 (excluding applicable taxes) under Capital Project 10-4265, in accordance with Purchasing By-law 63-2008.**

### REPORT HIGHLIGHTS

- The Region of Peel 2010 Capital Budget and Forecast included improvements at the intersection of Regional Road 5 (Derry Road) and McLaughlin Road.
- The Region of Peel issued a Request for Proposal to complete detailed design, contract administration and construction supervision for the intersection improvement works.
- There is insufficient funding available in Capital Project 10-4265 in 2010 budget.
- Additional funds in the amount of \$292,000 proposed in "2011 Capital Budget Pre-approval" report under Capital Project 10-4265 need to be approved in order to award this assignment.
- Request for Proposal 2010-246P was competitively bid and R.V. Anderson Associates Limited is recommended for award.

## DISCUSSION

### 1. Background

The Region of Peel is responsible for the improvements to intersections within the Region's arterial road network to meet the demands of the existing and future traffic volumes. To improve the traffic flow and to meet the future needs, it is proposed that southbound dual left turn lanes on McLaughlin Road be implemented and the existing westbound left and right turn lanes on the Derry Road be extended within the intersection (Appendix I).

**2. Selection Process for Consulting Services**

The Region of Peel issued a Request for Proposal (RFP) Document 2010-246P to five consulting engineering firms for detailed design, contract administration, and construction supervision services for the intersection improvements at Derry Road and McLaughlin Road.

Three consultants submitted proposals on time. The proposals were reviewed and evaluated by a staff evaluation committee. The evaluation criteria included the consultant's understanding of the project, compliance with the terms of reference, the proposed methodology, qualifications and experience of the proposed staff, the consultant's previous experience on similar projects, schedule and estimated cost to complete the assignment. All submitted proposals were found to be in order. The evaluation summary is as follows:

Vendor Name	Location	Overall Ranking	Technical (80 per cent)	Financial (20 per cent)
R.V. Anderson Associates Limited	Toronto, ON	1	1	3
UEM	Mississauga, ON	2	2	2
Chisholm Fleming and Associates	Markham, ON	3	3	1

R.V. Anderson Associates Limited's proposal received the highest overall score when assessing the combination of technical proficiency and price. The consultant demonstrated a thorough understanding of the assignment, proposed a comprehensive project approach, and presented an experienced project team. Staff has concluded that R.V. Anderson Associates Limited's proposal provides the best overall value to the Region of Peel.

**FINANCIAL IMPLICATIONS**

Regional Council approved the 2010 Capital Budget and Forecast for the Public Works' Transportation division including the intersection improvements at Regional Road 5 (Derry Road)/McLaughlin Road. Additional funding is required to award the engineering services contract for Project 10-4265. Sufficient funding will be available to Capital Project 10-4265, subject to the approval of the report of the Chief Financial Officer and Commissioner of Corporate Services, dated December 1, 2010, titled "2011 Capital Budget Pre-Approval" at the December 16, 2010 Regional Council meeting.
