Dear Ms. Reid:

**Re: Notice of Meeting to Approve 2011 Non-Matching Levy
 for Toronto and Region Conservation Authority**

Pursuant to Ontario Regulation 139/96, (as amended by O.R.106/98), I hereby give notice that Toronto and Region Conservation Authority will be considering its 2011 budget including non-matching municipal levy on April 29, 2011.

In accordance with the "AMO/CAO Protocol Pertaining to Non-Matching Municipal Funding of Watershed Programs", we are advising the Region of the date of the Authority meeting and that it may wish to direct its appointed representatives as to how they should vote with respect to the non-matching levy. The weighted voting procedure required under Regulation 139/96 provides that each member votes in proportion to their municipality's share of discounted equalized assessment.

TRCA's 2011 operating and capital levy requirements for the Region of Peel are in accordance with the funding approved by Regional Council earlier this year. TRCA staff has provided finance staff of the Region with detailed capital and operating budget information.

We appreciate the continuing support and cooperation of the region in fulfilment of TRCA's vision for The Living City.

Yours very truly,

Brian Denney
