RESOLUTION 0264-2011  
adopted by the Council of  
The Corporation of the City of Mississauga  
at its meeting on November 9, 2011

---

0264-2011 Moved by: Pat Saito

Seconded by: Ron Starr

That the Council of The Corporation of the City of Mississauga endorse the petition from Bob Bailey, MPP, Sarnia-Lambton, requesting that the Ministry of Health direct the Ontario Public Health system and OHIP to include all currently available and scientifically verified tests for Acute and Chronic Lyme diagnosis, to do everything necessary to create public awareness of Lyme Disease in Ontario, and to have internationally developed diagnostic and successful treatment protocols available to patients and physicians.

And that the Region of Peel Council be asked to support this endorsement and that Peel Health be requested to further educate our citizens on the risk of Lyme Disease.
