

9.a-1

Notice of Motion

Moved By: Councillor Paterak	Date: January 10 2013
Seconded By:	Item Number 9a

Take notice that a motion in the following terms is proposed to be moved at the meeting of Regional Council scheduled for January 24, 2013:

Whereas, the Town of Caledon has supported the construction and operation of a palliative care hospice known as "Bethell House" in Inglewood, on Town owned land;

And Whereas, the Town of Caledon and the Region of Peel provided grants to Hospice Caledon equal to the Development Charges that were assessed when the building permit for the construction of Bethell House was issued;

And Whereas, the Town of Caledon has found that Town Development Charges are not applicable on the construction of a gazebo at Bethell House;

Therefore be it resolved, that the Region of Peel provide a grant to Hospice Caledon, equal to the Region of Peel Development Charges that were deferred when the building permit for the gazebo at Bethell House was processed;

And further, that this grant in the amount of \$5,540.90, be charged to the Non-Program budget;

And further, that the administration fee for the deferral agreement in the amount of \$500, be waived;

And further, that the Town of Caledon be so advised.
