AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of
The Regional Municipality of Peel

We have audited the consolidated statement of financial position of The Regional Municipality of Peel (the "Region") as at December 31, 2008 and the consolidated statements of financial activities and changes in financial position for the year then ended. These financial statements are the responsibility of the Region's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Region as at December 31, 2008 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The current year's supplementary information included in the schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.
