## AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of  
The Regional Municipality of Peel

We have audited the statement of financial position of the Sinking Funds of The Regional Municipality of Peel (the "Region") as at December 31, 2008 and the statement of financial activities and changes in fund balance for the year then ended. These financial statements are the responsibility of the Region's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Sinking Funds of the Region as at December 31, 2008 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.
