

Mobile Dental Clinic

FREE dental services for children who are eligible!

The mobile clinic provides dental services to help prevent cavities and other dental diseases. Services include cleaning, fluoride application and sealants.

Does your child qualify?

- ✓ Does your child live in Peel region?
- ✓ Is your child 0-13 years of age?
- ✓ Is the cost of going to the dentist too expensive for you?
- ✓ Has your child received a dental screening by a Region of Peel Dental Hygienist?

Your child may qualify for free dental services IF you answered YES to these questions AND **YOU DO NOT HAVE DENTAL INSURANCE.**

Call the Region of Peel – Public Health at 905-799-7700 for more information or to book a dental screening.
