

November 30, 2010

Dear Immunizer,

RE: Peel Public Health Vaccine Delivery Service

In response to your request for increased accessibility to provincially publicly-funded vaccines, Region of Peel Health Services has finalized plans for a fee-for-service vaccine delivery service. This service will begin the week of **December 5th 2010**.

Additional service details:

- Brampton and Mississauga participants will each have two delivery days a month (see table below)
- Deliveries will occur the first* and third weeks of the month (*the first *full* week of the month)
- Orders may be placed at any time of the month
- Vaccine will be delivered by the courier on the next scheduled day of the month for your area (Brampton or Mississauga)
- Deliveries will be made during the business hours of 8:30 a.m. to 4:30 p.m.
- You may give your unused, exposed or expired vaccines to the courier to return to Peel Public Health
- If you were already participating in the **pilot** delivery service, you will be switched to the new pricing and delivery schedule as of the week of December 5th.
- **If you currently have an order placed with the Vaccine Order Desk, it will be couriered to you the week of December 5th**.** If you wish to pick it up before that date, please contact the Vaccine Order Desk to notify them.

** vaccine orders will be included in the next courier run if they have not already been processed and sent to your regular pick-up location. If your vaccine order has been sent to the pick-up location, you will be required to pick-up this order. *The Vaccine Order Desk will notify you if your vaccine needs to be picked up.*

New delivery schedule as of December 5, 2010:

	Tuesday	Thursday
First week	Brampton	Mississauga
Third week	Mississauga	Brampton

If you have any questions or feedback regarding vaccine delivery, please contact Andra Ashton, Vaccine Management and Physician Information Supervisor at 905-791-7800 x 2510.

If you have general questions regarding your vaccine order please contact the Vaccine Order Desk at 905-791-7800 x 6404.

Thank you,

Andra Ashton, R.N., B.Sc.N.
