

IN THIS ISSUE	FROM
December 2004 Vaccine Ordering Schedule	HOWARD SHAPIRO, MD, MSc, FRCPC ACTING MEDICAL OFFICER OF HEALTH

2004 HOLIDAY VACCINE ORDERING SCHEDULE

The last day for placing vaccine orders is Wednesday December 22nd, 2004

Location	Last Pick up Date	Hours
7330 Goreway Dr.	December 22, 2004	3:00 – 6:00 pm
2227 South Millway	December 23, 2004	8:30 am – 6:15 pm
3038 Hurontario St. & 6975 Meadowvale Town Centre Circle	December 24, 2004	8:30 am – 12:00 pm
44 Peel Centre Dr.	Ongoing during regular business hours except December 27 & 28, 2004 and January 3 rd , 2005	8:00 am – 5:00 pm

Orders for vaccines can be placed on December 29, 30 and 31, 2004.

Regular vaccine pick up schedules at all Mississauga locations resume January 4th, 2005.

Please Note:

There will be a revised vaccine order form that will be sent out to all physicians in the next few weeks. Prevnar will no longer be a high risk program as of January 2005. Prevnar vaccine can be ordered without high risk screening information as of January 2005. Non-high risk Prevnar orders can be placed now. However, they will not be filled until January 2005.

REFRIGERATOR TEMPERATURES

In order to protect the vaccine, please remember to check and document the minimum, maximum and current temperature readings of your vaccine refrigerator before closing for the holidays, and again when your office reopens.

If you have any questions, please contact the Vaccine Order Desk at **905-791-7800 extension 6404**.

Season's Greetings
