RECYCLING

NEW – *Recycling information*

Starting April 5, 2010 certain types of electronics will no longer be collected at the curb.

As part of the Government of Ontario's new Waste Electrical and Electronic Equipment (WEEE) stewardship program, the Region of Peel is able to accept select electronics at its Community Recycling Centres (CRCs) for recycling.

Select electronics may also be taken to participating retailers. Visit dowhatyoucan.ca, choose "electronics" and search for the nearest collection site by municipality, postal code or material type.

The following items will not be collected at the curb. Bring them to your local CRC or participating retailer for recycling, free of charge.
