

## Environmental Assessment Study

### NOTICE OF STUDY COMPLETION

#### New Sanitary Sewer

Fair Birch Drive, Birchview Drive, Queen Victoria Avenue and Lorne Park Road

#### The Study

The Region of Peel has completed a Municipal Class Environmental Assessment (EA) Study for sanitary sewer improvements on Fair Birch Drive, Birchview Drive, Queen Victoria Avenue and Lorne Park Road. These improvements are required to maintain the system connection to the existing sanitary sewer. The preferred solution is to construct a new sewer within existing road right-of-way to replace the existing sanitary sewer within a branch of Lornewood Creek which will be abandoned.

#### The Process

A Project File Report to document the planning, public consultation and decision-making process for the EA Study will be available for a 30-day review period at the following locations:

##### Region Municipality of Peel - Clerk's Division

10 Peel Centre Drive, Suite A, Brampton  
Mon-Fri 8:30 a.m. - 4:30 p.m.

##### Clarkson Library - Information Desk

2475 Truscott Drive, Mississauga  
Tuesday and Wednesday: Noon to 9 p.m.  
Thursday: 10 a.m. to 9 p.m.  
Friday: 10 a.m. to 6 p.m.  
Saturday: 9 a.m. to 5 p.m.

An electronic copy of the Project File Report is available at [peelregion.ca](http://peelregion.ca), Public Works, Water & Wastewater, Environmental Assessments, Current Water & Wastewater Projects EAs, Mississauga, New Sanitary Sewer on Fair Birch Drive, Birchview Drive, Queen Victoria Avenue and Lorne Park Road.

A Public Information Centre (PIC) will be held in the Fall/Winter 2019 to provide residents with information about the project and the proposed design plans. Advance notification of the PIC will be provided later.

#### Comments

##### Please provide comments about this project by August 12, 2019 to

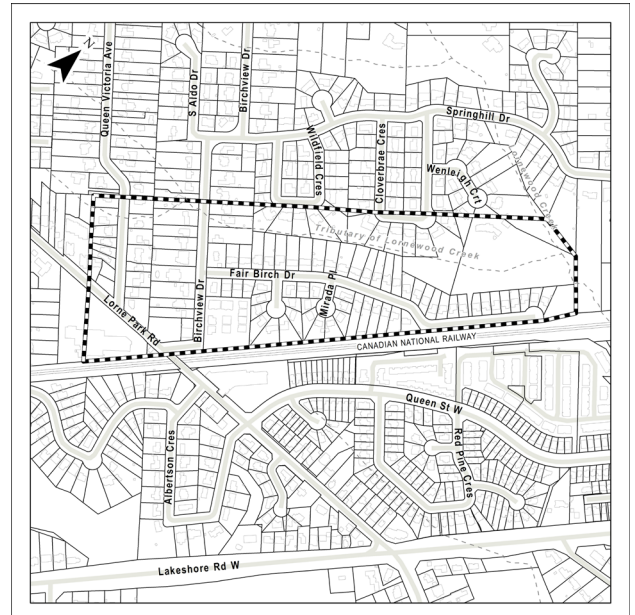

Olena Gordiyenko, P.Eng.  
Project Manager, Wastewater Capital

If concerns arise regarding this project which cannot be resolved through discussion with the Region, the person or party with the concern may submit a written request to the Minister of the Environment, Conservation and Parks to make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. Part II Order Requests must be submitted using a standard form available on the Provincial Forms Repository website ([www.forms.ssb.gov.on.ca](http://www.forms.ssb.gov.on.ca)). The form can be found by searching either "Part II Order" or "0122206E" (the form ID number) on the Repository's main page. The completed form for Part II Order Request must be received by the Minister at the addresses provided below by 4:30 p.m. on **August 12, 2019** (within 30 days of this notice). A copy of the completed form for Part II Order Request should also be sent the Director, Environmental Approvals Branch and to the Region project team by this time and date at the addresses provided below. If no request is received by **August 12, 2019**, the Region intends to proceed with detailed design and construction as outlined in the Project File Report subject to receipt of necessary approvals and municipal priorities and budgets.
