

## Public Information Centre Zone 6 Water Reservoir and Feedermain

The Region of Peel is conducting a Class Environmental Assessment (EA) for the construction of a water reservoir and feedermain, to service areas of north Brampton and Caledon (known as the Zone 6 Water distribution area).

**Date:** Wednesday, June 8, 2011  
**Time:** 6 to 8 p.m.  
**Location:** Brampton Fair Grounds  
Agricultural Resource Centre - Peel Junior Farmers' Hall  
12942 Heart Lake Rd., Caledon

### The Open House will:

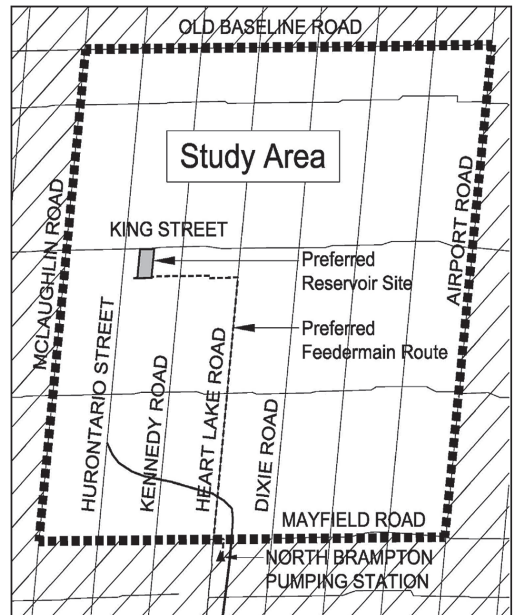

1. Describe the preferred reservoir site and the preferred feedermain route
2. Summarize the process the Region has followed to this point

Information will also be available about future planned water projects in the area. We encourage residents along Heart Lake Road to attend this Public Open House as your property may be affected by this project.

For more information, or if you cannot attend the Open House, but wish to make a comment, visit:
