Dear Dr. Mowat. David

Table with columns COPY TO: and FOR: containing distribution list items like Chair, CAO, Corporate Services, etc.

Thank you for your letter dated June 15, 2012 regarding provincial funding for Peel Public Health.

As you are aware, the Ministry of Health and Long-Term Care is currently undertaking a review of the provincial funding provided to public health units in an effort to ensure a fair, transparent and consistent method of funding.

I am very pleased to tell you that we will be reconvening the Funding Review Working Group in September 2012 to complete the work of the funding model for public health.

We do appreciate your patience and the contribution you have made to the funding review process. Thank you again for communicating your concerns to us.

Yours truly,
