REPORT TITLE: **IMPOSING A SPECIAL CHARGE UNDER THE MUNICIPAL ACT
(PROJECT 10-2702), CITY OF MISSISSAUGA, WARD 7**

FROM: Dan Labrecque, Commissioner of Public Works

RECOMMENDATION

That the imposition of a special charge upon the owners or occupants of land who derive or may derive a benefit from the construction of Project 10-2702 in the City of Mississauga, Ward 7, be approved;

And further, that the necessary by-law to impose the special charges be presented for enactment.

REPORT HIGHLIGHTS

- Regional Council authorized the construction of sanitary sewer Project 10-2702 under By-law 73-2010 with the Region of Peel portion of the costs of the works financed from the Wastewater Capital Financing Stabilization Reserve (CFSR) R0242 and the owners' portion of the cost of the works to be collected as a special charge.
- A Local Improvement Roll was prepared and a Hearing was held regarding objections and staff proposed revisions to the roll.
- The Committee of Revision Hearing was held on September 20, 2012, no objections were received.
- The Local Improvement Roll has been certified by the Treasurer.
- A by-law to impose the special charges is required in order to commence billing.

DISCUSSION

1. Background

At the September 9, 2010, Regional Council meeting, Local Improvement Capital Project 10-2702 was approved to be undertaken pursuant to Ontario Regulation 586/06 – Local Improvement Charges – Priority Lien Status of the *Municipal Act, 2001* (Resolution 2010-859). As well, the corresponding By-law 73-2010 was approved on December 16, 2010. The owners' portion was calculated based on a \$600 cost per meter of frontage as well as a mandatory connection fee of \$2,850 per lot. The owners' portion of the cost is to be collected as a special charge.

September 20, 2012

**IMPOSING A SPECIAL CHARGE UNDER THE MUNICIPAL ACT
(PROJECT 10-2702), CITY OF MISSISSAUGA, WARD 7**

On September 20, 2012, a Committee of Revision Hearing was held and there were no objections files. As required by legislation, the Treasurer has certified the Local Improvement Roll.

2. Project Detail

Based on estimated final costs, the following table represents a summary of Wastewater Project 10-2702 after making adjustments to the Local Improvement Roll.

Project Number	Location	Estimated Cost of Works	Owners' Portion	Region's Portion
10-2702	Gordon Drive, 202 Isabella Avenue, City of Mississauga	\$300,398	\$166,512	\$133,886

In order to amortize the owners' portion of the costs over a fifteen (15) year period, an interest rate must be determined. An interest rate of 3.78 per cent has been determined.

Property owners will be invoiced annually and may either pay the special charge outstanding in full, or pay an annual amount based on the special charge being amortized over fifteen (15) years. If an annual payment is not made, the annual amount will be added to the tax roll account for the property.

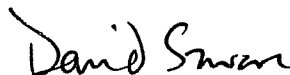

CONCLUSION

In order for the Region to collect the owners' portion for this project, a by-law is being presented for Council approval to authorize the imposition of a special charge.

 Dan Labrecque
Commissioner of Public Works
