

Pedestrian Safety Month **Bingo**

Walked to school 5x

Cycled to school

Walked to school 10x

Avoided distractions

Followed pedestrian safety signals

Used a crosswalk

Stopped, looked and listened before crossing

Got off my bike when crossing

Walked to school with my family/parents

Used push button to cross

Looked both directions before crossing

FREE space

Remember these safety tips:

Stop, look, and listen before crossing, even when it is your turn to cross.
Make eye contact with drivers to ensure they see you before you proceed.

Pedestrian Safety
is everyone's responsibility!

OPS-0483-03 23/10
