

COVID-19 Vaccination Attestation Form for Health Care Workers in Peel

COVID-19 vaccine supply is limited and is subject to prioritized phases as recommended by the Ministry of Health. Please ensure that you meet the definition of a health care worker as outlined by Ontario's Ministry of Health [guidance](#) information.

In alignment with the Province's framework for COVID-19 vaccine prioritization, active, front-line, patient-facing workers* in **the following areas (and who live or work in Peel)** have currently (as of March 3, 2021) been prioritized to receive their COVID-19 immunizations:

- Long Term Care Homes
- Retirement Homes
- Acute care and other hospital settings
- Team supporting Outbreak Response
- COVID-19 Assessment Centres
- COVID-19 Vaccine Clinics
- Mobile Testing Teams
- Paramedics
- Firefighters providing medical first response
- Police providing medical first response
- Primary care and community-based physicians and their office staff
- Dentists and dental office staff
- Community-based patient-facing workers in pharmacies (including pharmacists, pharmacy technicians, pharmacy assistants and cashiers that are working in the pharmacy dispensary)
- High-risk community-based providers serving specialized patient populations (e.g. Community Health Centres, Adult Day Programs, Home and Community Care)
- Assisted living
- Correctional facilities
- Hospices and palliative care
- Shelters
- Supportive housing

*In alignment with the Provincial definition of Health Care Worker, where a health sector has been named in the priority population, all workers in that sector are included (e.g., custodial, security, food services, information technology, research, reception, administrative staff). Where a non-health setting has been named, only workers providing a health service or direct patient care are included (e.g., nurse providing patient care in a school, worker performing personal support services in an assisted living facility, medical first responder in the community, peer worker in a shelter).

Do NOT book an appointment if you are not part of one of these groups.

When attending a vaccine clinic, you are required to show an active license to practice or regulatory college membership number as proof of eligibility. Confirmation of a Peel residential or office address is also required. We ask that health care providers who are owners/operators of clinics or pharmacies complete the attached attestation form for each staff member working in your office. Staff should ensure they bring the completed form to the clinic as proof of eligibility. **Without proof of eligibility, vaccination will not be provided and you will be turned away.**

You **MUST** fill out this form to confirm your eligibility to receive a COVID-19 vaccination in the current prioritization phase.

Who is getting vaccinated:

Full name (first, last): _____

Clinic name (or organization name): _____

Work address: _____

I (full name), _____, confirm that I meet the eligibility requirements outlined by the Ministry of Health. I understand that providing false information may result in cancellation of my appointment and notification to the appropriate regulatory college.

Attestation (Required): This section needs to be completed by the Lead Primary Care or Specialist Physician, Dentist or Pharmacist who the staff member being vaccinated (listed above) reports to.

This letter is to confirm that I (full name), _____, a member in good standing with the College of _____ (please list: CPSO/RCDSO/OCP; and Licensee # _____), currently work in-person at the same location as the health care worker listed above and confirm that they meet the eligibility requirements outlined by the Ministry of Health. If you have any questions, I can be contacted by cellphone at _____.

Dated at _____, Ontario, this _____ day of _____, 20__.

Full name: _____ Title: _____

Signature: _____

What you will need to bring to your appointment:

- Be prepared to show this attestation form at your appointment. **You must print out this PDF** and are required to bring it with you to your appointment.
- **Please bring** your Ontario Health Card and if possible proof of occupation (i.e. employee ID badge).
