

You ride to soccer with your friend and his parents. You smell alcohol when you get in the car. What should you do?  
Who can you talk to?

Grade 5 Alcohol Situation Card (Student) card 1

CDI-0442 12/03

Your older cousin drinks on the weekends and you think it is becoming a problem and a habit. Where would you go to get help?  
Who could you talk to?

Grade 5 Alcohol Situation Card (Student) card 2

CDI-0442 12/03

Your grandpa drinks beer and lately he has had several while you were visiting. Your parents say there's no reason to worry but you're concerned. Who could you talk to?

Grade 5 Alcohol Situation Card (Student) card 3

CDI-0442 12/03

Your family is at a picnic and the adults are drinking from a punch bowl with alcohol in it. You notice that some of the kids are sneaking and taking some to drink. One of them tells you to get some saying "don't worry, nobody will notice". What do you do?

Grade 5 Alcohol Situation Card (Student) card 4

CDI-0442 12/03

There's a school dance and you and your friend are excited about going. Your friend decides to take a can of beer with you because she has seen ads on TV showing people having a good time at parties while drinking beer and alcohol.  
What do you do?

Grade 5 Alcohol Situation Card (Student) card 5

CDI-0442 12/03

You are walking home from school with your friends when one of them pulls out a can of beer from their backpack. "Let's walk through the park and try this out" they say.  
What would you do?
