

Region of Peel Strategic priorities for the future

Practicing Effective Public Health

Vision: Evidence informed decision-making, quality improvement and effective service delivery continue to support programs to improve the overall health of the population.

Enabling Active Living and Healthy Eating

Vision: Peel residents live in a community that supports healthy eating and active living.

Promoting Mental Wellbeing

Vision: Peel residents live in socially supportive and connected communities where they experience high mental wellbeing and low mental illness.

Reducing Health-Related Impacts of Climate Change

Vision: Peel residents and communities are more resilient to the adverse health outcomes and hazards of climate change.

Advancing Health Equity

Vision: Health inequities among Peel residents are identified and programs are designed with a deeper understanding of the social disadvantages that affect health.
