

**Notice of Public Information Open House**  
**Peel-Caledon Land Evaluation and Area Review (LEAR) Study**  
**April 7, 2015**

You are invited to attend the Public Information Open House for the Peel-Caledon Land Evaluation and Area Review (LEAR) to receive information and provide comments on the study.

The LEAR Study is a joint Region of Peel and Town of Caledon study to identify Prime Agricultural Areas in the Town of Caledon. The LEAR is a technical assessment which, in addition to the Canada Land Inventory (CLI) for soils, allows other factors to be considered in identifying Prime Agricultural Areas. Recommendations from the study will be used to inform changes to the mapping of Prime Agricultural Areas in the Region and Town's Official Plans to guide future planning for agriculture.

**The Public Information Open House will be held on:**

**Date:** April 7, 2015

**Time:** 7:00 p.m. – 9:00 p.m. (Presentation at 7:30 p.m.)

**Place:** Caledon Country Club, 2121 Olde Baseline Road, Caledon, Ontario, L7C-0K7

The Open House will include a presentation by the Project Team on the work undertaken to date. Information on the results of the study, and all associated mapping, will be available for review. Regional and Town staff, as well as members of the consulting team, will be available to answer questions, review background information and provide an opportunity for public comment.

Information on the LEAR including comments received at this Open House, and at the April 3, 2014 Open House will be posted for review on the Region of Peel webpage:

<http://www.peelregion.ca/planning/paawg/lear-mds.htm>

To assist the Region of Peel and Town of Caledon with its review, public comments on the study are being collected until **May 8, 2015**.

You are receiving this 'Notice of a Public Information Open House' as you have indicated that you would like to receive updates on activities pertaining to the Region of Peel Official Plan Review. Information from the LEAR study will be used to provide recommendations to the Region of Peel Official Plan Review.
