PROJECT UPDATE: MILLING AND PAVING OPERATIONS- MAY 2019

As the final stages of the Airport Road Urbanization project are approaching, the Region is working on completing boulevard works (i.e. tree planting) and road paving.

The asphalt paving operations have commenced Wednesday, April 30, 2019 and the anticipated completion is mid-May 2019, weather permitting. We anticipate the overall project to be completed by the end of June 2019, weather permitting.

We apologize for any inconvenience this may cause.

What are we doing?

From Mayfield Road to 600m North of Perdue Court, the work includes, but is not limited to:

- Installation of approximately 1,000 linear metres of 2.5-3m wide asphalt multi-use trail.

From Countryside Drive to Mayfield Road, the work includes, but is not limited to:

- Road resurfacing-partial depth asphalt removal of existing roadway pavement, supply, place and compact of new Superpave Hot Mix Asphalt (HMA), placement of new curb and gutter.
- Installation of Low Impact Development (LID) stormwater infrastructure system.
- Installation of approximately 1,200 linear metres of 2.5-3m wide asphalt multi-use trail.
- Landscaping on both sides of Airport Road

Where?

- Airport Road from Countryside Drive to 600m north of Perdue Court

When?

- Start of Mill/Pave and other remaining works: Spring 2019
- Finish: end of June 2019, weather permitting.

Working Hours

- The Contractor's working hours are from 7:00AM to 7:00PM, Monday to Friday. The Contractor is permitted to work on Saturdays if they choose to.
- These hours are consistent with the local municipality's by-laws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Traffic Control

- The works will be phased so as to minimize disruption to traffic while still maintaining a safe working environment as required under the Occupational Health and Safety Act
- Existing traffic flows will be maintained during construction. However, temporary lane closures will be required over the duration of the project. Flag persons will assist motorists through the work area.
- Emergency access will be maintained at all times.
- Barriers and signs will be placed for safety and direction, as required under the Occupational Health and Safety Act.

Driveway Access

- We anticipate that driveway access will be maintained in so far as possible.
- If we need to block your driveway for a short time you will be contacted to arrange for the best time and for alternate access. If your driveway is blocked, you may choose to park on a side street for a short time.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access

Project Updates

- The Region of Peel will keep you informed of any substantial changes in the project scope or schedule.
- We are committed to ensuring minimum disruption to your homes and businesses.
- Please call the project manager or inspector if you have any special needs.

Thank you,

Jerry Tan, C.E.T.
