### **Working Hours**

- Our Contractor's normal working hours are from 7:00a.m. to 7:00p.m, from Monday to Friday.
- Some work may occur on Saturdays from 7:00a.m. to 5:00p.m.
- These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

### **Traffic Control**

- Temporary/Staged lane closures will be required for the duration of the Contract.
- All residents within the project limits will have full access to their properties.
- Emergency services will be notified of the lane closures.
- The Contractor may utilize temporary traffic signal installations throughout the project to assist with construction.
- Barriers and signs will be placed for safety and direction, as required under the Occupational Health and Safety Act.

### **Driveway Access**

- All businesses in Alton Village will be open.
- We anticipate that driveway accesses will be maintained.
- If we need to block your driveway for a short time you will be contacted to arrange for the best time and for alternate access. If your driveway is blocked, you may choose to park on a side street for a short time.
- Please call the Project Manager if you have special needs related to access.

### **Project Updates**

- The Region of Peel will keep you informed of any substantial changes in the project scope or schedule. If you would like to be added to by-weekly updates circulation, please contact the Regional Project Manager.
- We are committed to ensuring minimum disruption to your homes and businesses.
- Please call the Project Manager or Inspector if you have any special needs.
