

May 4, 2017
Project 15-1330 A

**PROJECT UPDATE - RESTORATION
FOLLOWING WATERMAIN REPLACEMENT AND IMPROVEMENT
MOUNT HOPE ROAD
FROM OLD CHURCH ROAD TO CEDAR MEADOWS LANE
TOWN OF CALEDON**

What are we doing?

- Paving the road following the replacement of the watermain and services along Mount Hope Road.

Why?

- To complete road restoration following upgrade of the water distribution system.

When?

- We expect to start asphalt removal work on or about May 8, 2017.
- Final road paving should be completed by May 15, 2017.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Sean Ballaro	Project Manager	905-791-7800, ext. 7917
Ole Petersen	Inspector	905-791-7800, ext. 3246
Trisan Construction		
Trisan will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Dave Ransom	Project Manager	416-410-3839
Mike Barco	Site Superintendent	647-212-6530

Traffic and Parking Control

- We may need to reduce traffic to a single lane during our paving operations.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- Please call the Project Manager if you have special needs related to access.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.

- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you

Sean Ballaro
Project Manager
