

Burnhamthorpe Water Project

What's New?

Duke of York Boulevard and Prince of Wales Drive Compound

Monday, August 16, 2021 to Friday, August 27, 2021

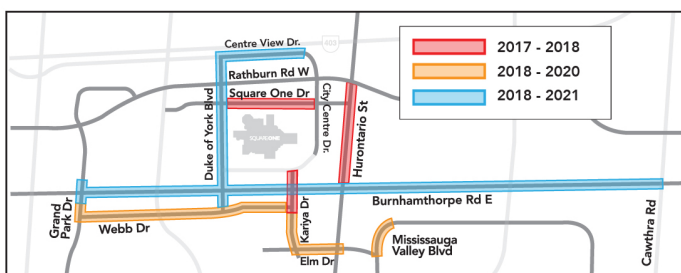

What are we doing?

- We are constructing a sanitary sewer manhole.

Minimising the impact to you:

- You may notice some noise at night-time from the welding activities taking place within the compound. **We will do everything possible to keep the noise to a minimum.**

Thank you for your patience while we complete this work.
