Project 13-1347B

**PROJECT UPDATE
BENEDET DRIVE RESTORATION NOTICE
FROM SOUTH SHERIDAN WAY TO UNA ROAD
CITY OF MISSISSAUGA**

What are we doing?

- Final watermain connections at the entrance to Kogaydiwin Park near Una Road and at the intersection of South Sheridan Way and Benedet Drive.
- Reinstating driveways, sod, and curb, along with final paving, following the watermain connections.

When?

- Watermain connections are expected to occur from about June 2 to June 9, 2020.
- Curb, sidewalk (if necessary), road paving, driveways, and sod are expected to be reinstated from about June 10 to mid-July 2020.

Consultant		
GM BluePlan Engineering are administering the Contract for the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Phemelo Mpoloka	Consultant's Site Inspector	226-332-1875

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately, the Region **cannot** replace your driveway completely.
- We will repair your driveway as soon as we can, but there may be a short delay.

NOTES: a) - REPLACE EXISTING WATER SERVICE TO PROPERTY LINE

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
Nicole Sartor
Project Manager

C: Councillor K. Ras, Ward 2

Construction statement regarding COVID-19

Construction is an essential service. We're keeping employees, contractors and the community safe by complying with provincial regulations, physical distancing, using PPE and adjusting work schedules & shifts.
