

November 4, 2019
Project 13-1347B

**PROJECT UPDATE
BENEDET DRIVE RESTORATION NOTICE
FROM SOUTH SHERIDAN WAY TO UNA ROAD
CITY OF MISSISSAUGA**

What are we doing?

- Reinstating driveways, sod, and curb following the replacement of the watermain and services along Benedet Drive from South Sheridan Way to Una Road.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about November 4, 2019.
- The project should be completed by November 22, 2019.

Who can you call?

Consultant		
GM BluePlan Engineering are administering the Contract for the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Phemelo Mpoloka	Consultant's Site Inspector	226-332-1875

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.

- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.
- If the weather does not cooperate this late in the year, topsoil and sod may be installed in the spring of 2020.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately, the Region **cannot** replace your driveway completely.
- We will repair your driveway as soon as we can, but there may be a short delay.

- **If you would like to have the rest of your driveway paved at this time, please contact the contractor named on the front of this letter. The contractor will then refer you to the subcontractor being used for this project. Please do not accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to replace your entire driveway.**

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
 Nicole Sartor
 Project Manager
