

November 20, 2018

Project 13-1347 B

**ROAD CLOSURE NOTIFICATION
NORTH SHERIDAN WAY AT FLAVELLE BOULEVARD NORTH
CITY OF MISSISSAUGA**

What are we doing?

- Installing a new watermain crossing across the QEW by tunneling, which will require a receiving shaft to be excavated on North Sheridan Way.
- North Sheridan Way and Flavelle Boulevard northbound will be closed to traffic for approximately 50 metres north and east of the intersection to accommodate the necessary equipment and materials required to complete the watermain crossing (see attached sketch).
- Access to Shaw (2055 Flavelle Boulevard) will be maintained from both North Sheridan Way and Flavelle Boulevard during the road closure.

When?

- North Sheridan Way and Flavelle Boulevard will be closed for approximately 50 metres north and east of the intersection **beginning the week of January 7, 2019 for approximately 7 months.**

What does this mean for you?

- Vehicles will be diverted around the closed section as per the attached sketch.
- Access to Shaw (2055 Flavelle Boulevard) will be maintained from both North Sheridan Way and Flavelle Boulevard.

We appreciate your co-operation during the completion of work and apologize in advance for any inconvenience.

If you have any questions, please call me at 905-791-7800 x 7832 or email me at nicole.sartor@peelregion.ca.

Thank you!
