Project 13-1347 B

**PROJECT UPDATE  
BENEDET DRIVE FROM SOUTH SHERIDAN WAY TO UNA ROAD  
CITY OF MISSISSAUGA**

Once again, we wish to thank you for your patience and courtesy during construction in front of your home.

During construction, we experienced several delays that were beyond our control. As a result, we are providing you with this further update with regards to the final restoration on your street.

At this late point in the year, it is too cold, and the weather is too uncooperative for final restoration work. Therefore, Benedet Drive has been paved with temporary asphalt for the winter and as soon as the weather becomes warmer and dryer in the spring, final restoration of Benedet Drive including sidewalks, boulevards, and driveway ramps will occur. We are sorry for the inconvenience, but we want to ensure that final restoration of these items is carried out in optimum conditions to ensure a higher quality of work.

We appreciate your co-operation during the completion of the work, and you will be notified again when our Contractor is ready to carry out final restoration on Benedet Drive in the spring of 2020.

If you have any questions or concerns, please call me at 905-791-7800 x 7832 or email me at [nicole.sartor@peelregion.ca](mailto:nicole.sartor@peelregion.ca).

Thank you!

Nicole Sartor  
Project Manager – Water Division  
Public Works  
Region of Peel
