

December 17, 2019
Project 13-1347 B

**PROJECT UPDATE
SPEAKMAN DRIVE, FLAVELLE BOULEVARD
CITY OF MISSISSAUGA**

We wish to thank you for your patience and courtesy while we construct new watermains along Speakman Drive and Flavelle Boulevard North.

During construction, we experienced several delays that were beyond our control. As a result, we are providing you with an update with regards to the construction schedule.

- The Contractor will be taking their **Christmas break** beginning December 20 and will return on January 13, 2020.
- When they return, **two crews** will construct two new watermains.
 - One crew will begin work in Sheridan Park and will work south along Speakman Drive towards Flavelle Boulevard North.
 - The second crew will begin work on Flavelle Boulevard North at North Sheridan Way and will work north towards Speakman Drive.
- **Night work** is proposed from about mid-March to end of April.
- **Speakman Drive is proposed to be closed to traffic** from the entrance to Olive Grove School to Flavelle Boulevard North from about mid-June to end of July.
- **Final restoration work** in Sheridan Park and along Speakman Drive and Flavelle Boulevard North will take place in the late summer and early fall of 2020.

We appreciate your co-operation during the completion of the work, and we'll provide you with further updates as the schedule progresses.

If you have any questions or concerns, please call me at 905-791-7800 x 7832 or email me at nicole.sartor@peelregion.ca.

Thank you!
