Project 13-1347 B

**NIGHTLY ROAD CLOSURE NOTIFICATION  
SPEAKMAN DRIVE FROM HADWEN ROAD TO SHERIDAN PARK DRIVE  
AT VARIOUS LOCATIONS  
CITY OF MISSISSAUGA**

**What are we doing?**

- We are installing a new watermain along Speakman Drive between Flavelle Boulevard North and Sheridan Park Drive.
- All lanes on Speakman Drive will be closed at specific locations during the night, over the course of several nights, for the Contractor to install fire hydrants and water services to the businesses (see attached sketch). Through traffic must use alternate routes during these nightly road closures. Road closures will start at 7 pm and the road will be open to traffic by 7 am.

**When?**

- Road closures will occur at different locations each night (see attached sketch).
- The road closures are **scheduled to begin on March 19, 2019, beginning at Hadwen Road and be completed in approximately 3 weeks.**

**What does this mean for you?**

- Traffic will be diverted around the closed section.
- Road closures will be confined to small areas thereby maintaining access to businesses on each side of the road closure.

We appreciate your co-operation during the completion of work and apologize in advance for any inconvenience.
