Project 13-1347 B

**ROAD CLOSURE UPDATE
BENEDET DRIVE FROM POPLAR CRESCENT TO UNA ROAD
CITY OF MISSISSAUGA**

We would like to thank you for your patience and courtesy while we are working in front of your homes. I'm sure you'll be glad to know that this section of the work is nearly complete.

We are scheduled to complete the watermain installation by July 26. After that, we will place temporary asphalt on the trench and reopen the road to two-way traffic. Samples of the water in the new watermain will be taken and sent for analysis. It may be several weeks before we connect the new watermain to the system. Final restoration (permanent paving) is scheduled to be completed by the end of the year.

We appreciate your co-operation during the completion of work.

If you have any questions, call me at 905-791-7800 x 7832 or email me at nicole.sartor@peelregion.ca.

Thank you!

Nicole Sartor
Project Manager – Water Division
Public Works
