Region of Peel
Working for you

Public Notice

July 26, 2017
Project: 13-1347 A

PROJECT UPDATE
WATERMAIN REPLACEMENT
PLAYFORD ROAD
CITY OF MISSISSAUGA

What are we doing?

- Replacing and improving the aging watermain along Playford Road.
- In order to complete the construction, we have installed a temporary watermain on Playford Road.

How with this affect your building?

- You may experience some instances of lower water pressure while the temporary watermain is in use.
- Full pressure should return once the new watermain is installed.
- The new watermain is expected to be ready for use by the fall of 2017.
