Project 14-1345 L

## **PROJECT UPDATE**

### **WATERMAIN REPLACEMENT AND IMPROVEMENT MISSISSAUGA ROAD/ERIN MILLS PARKWAY CITY OF MISSISSAUGA**

#### **What are we doing?**

- Watermain installation along Mississauga Road/Erin Mills Parkway from Argentia Road to Turner Valley Road.

#### **When?**

- Watermain installation will occur overnight between the hours of 8:00pm to 6:00am. This will start on Monday, September 18, 2017 and will be completed on Saturday, November 25, 2017. Since work depends on the weather, these dates may change.
- Due to the high traffic counts along this road, working during the overnight hours is the best way to manage the high volume of traffic while completing the work in an efficient manner.

#### **What does this mean for you?**

- Interruption to your water may occur and you will be notified 48 hours in advance.

We appreciate your co-operation during the completion of work and apologize in advance for any inconvenience.

If you have any questions, please call me at 905-791-7800 x 5943.

Thank you!

Frank Pugliese  
Project Manager – Water Division  
Public Works  
Region of Peel
