PROJECT UPDATE: TOP ASPHALT PAVING, WEEK OF JULY 3, 2018

As the final stages of the Britannia Road Urbanization project are approaching, we will complete the boulevard works by the end of this month and will continue with final top asphalt paving during the week of July 3, 2018, weather permitting.

Paving at the intersection of Britannia Road and Winston Churchill Boulevard will be carried out on Saturday, July 7 at approximately 5 a.m. with completion anticipated by 3 p.m.

WORKING HOURS

The work is being done by TRISAN Construction. The contractor's normal working hours are from 7 a.m. to 8 p.m., in order to reduce the overall construction period.

TRAFFIC CONTROL

During paving operation, the traffic on Britannia Road will continue to operate with a single lane in each direction and intersections will be temporarily blocked.
