Project 16-1310 D

PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
PRINCE JOHN BOULEVARD, ST WYNTENS COURT, SIR CARODOC LANE
CITY OF MISSISSAUGA

What are we doing?

- Reinstating the road, driveways, sod and curb following the replacement of the watermain and water services along Prince John Boulevard, St Wyntens Court and Sir Carodoc Lane.

Why?

- To complete restoration following replacement and upgrade of the water distribution system.

When?

- We expect to start work on or about September 15, 2017.
- The project should be completed before October 1, 2017.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Scott Durdle	Project Manager	905-791-7800, ext. 5052
Jimmy Cheema	Construction Inspector	905-791-7800, ext. 3246
FCM Construction Limited		
FCM Construction Limited will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
John Frias	General Manager	905-339-0990
Lawrence Frias	Project Manager	905-339-0990

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- Please call the Project Manager or Construction Inspector if you have special needs related to driveway access.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is common for the work area to settle a bit following construction. If you notice any settlement, please contact the Project Manager or Construction Inspector and we will ensure the contractor repairs it.

Repairing Your Driveway: Prince John Boulevard, St Wyntens Court, Sir Carodoc Lane

- The City of Mississauga has scheduled your street for Roadway Rehabilitation in 2018 pending Council approval. During Roadway Rehabilitation works, a portion of most driveways will be disturbed again along the curb and sidewalk.
- If we damaged a portion of your **asphalt driveway**, a temporary asphalt patch will be installed by our watermain contractor. Following the City of Mississauga's work your driveway will be replaced in the disturbed area from edge to edge across the driveway.
- If we damaged a portion of your **interlock driveway**, our contractor will fully reinstate the pavers up to the temporary asphalt curb to ensure driveway material is secured until the City of Mississauga commences their works.
- For further information on the City's Road Rehabilitation Project, please contact Dagmar Chang, Capital Project Manager, at 905-615-3200 ext. 5184.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- After we've finished, we will give you a postage-paid card for you to rate our work. Please complete the card and mail it back to us.
- Please call the Project Manager or Construction Inspector if you have any concerns or special needs.

Thank you!

Scott Durdle
Region of Peel, Project Manager
