Project: 16-1310 H

**PROJECT UPDATE
LINGFIELD CRESCENT
CITY OF MISSISSAUGA**

What are we doing?

- Reinstating driveways, sod, and curb following the replacement of the watermain and services along Lingfield Crescent.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about July 18, 2018.
- The project should be completed before September 2018.

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

- If you would like to have the rest of your driveway paved at this time, please see the contact information listed below. Please **do not** accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to completely replace your driveway.
 - Eagle Paving will be the paving subcontractor.
 - Please contact: Mario Gill at 905-616-1319 for a quote if you would like a quote to replace the rest of your driveway.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
Frank Pugliese
Project Manager
