Project 17-1310 A

PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT ON MORNING STAR DRIVE
CITY OF MISSISSAUGA

What are we doing?

- Reinstating the road, curbs, driveways and sod following the replacement of the watermain and water services along Morning Star Drive.
- Completing restoration and site clean-up following upgrade of the water distribution system.

When?

- We expect to start restoration work on or about October 25, 2018.
- The project should be completed before the end of November 2018.

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- Please call the Project Manager if you have special needs related to access.

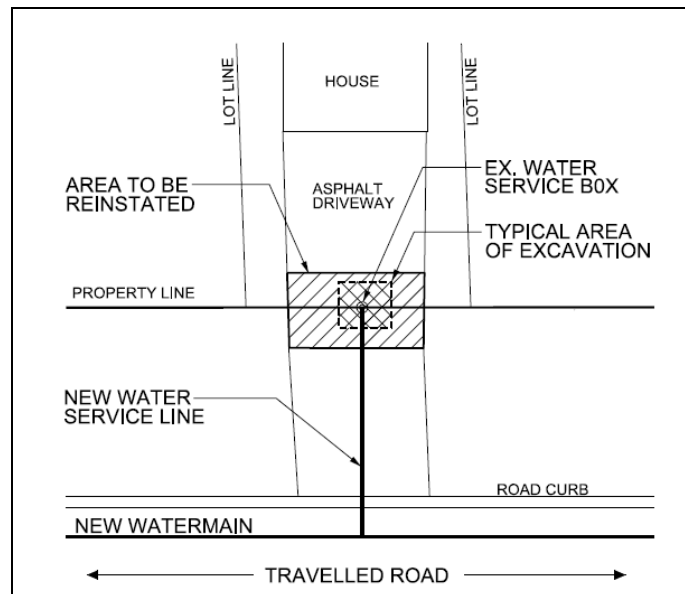

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.

- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

- If you would like to have the rest of your driveway paved at this time, please contact the Asphalt Sales Representative with the paving subcontractor named on the front of this letter. Please **do not** accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to completely replace your driveway.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
 Scott Durdle
 Project Manager
