

August 13, 2018
Project 17-1310 B

**PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
VISCOUNT ROAD AND ORDAN DRIVE
CITY OF MISSISSAUGA**

What are we doing?

- Reinstating driveways, sod, and curb following the replacement of the watermain and services along Viscount Road and Ordan Drive.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start restoration work throughout August, 2018.
- The project should be completed before November, 2018.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Scott Durdle	Project Manager	905-791-7800, ext. 5052
Mark Ferreira	Construction Inspector	905-791-7800, ext. 3246
Sam Rabito Construction		
Sam Rabito Construction will do the work, under contract to the Region of Peel		
Contact Person	Contact Person	Telephone Number
Corey Luciano	Project Coordinator	(905) 642-5356

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

- **If you would like to have the rest of your driveway paved at this time, please either contact the contractor named on the front of this letter. The contractor will then refer you to the subcontractor being used for this project. Please do not accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to completely replace your driveway.**

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!

Scott Durdle
Project Manager
